Dear David and Cameron:

Congratulations on opening your new facility in Downtown Fresno. As I watched your company grow over these several years, it is obvious the success VDS has enjoyed since the earliest days in the old offices is a reflection of the high quality of your work, the very capable staff, the outstanding service and concern towards your customers, and being 100% reliable in your commitments. I've never doubted that VDS would come through as promised while frantically preparing for trial or that critical deposition. And for those of us with inadequate knowledge of digital formats, meta data, video and voice files, color digital imagery, and how to process those files, your knowledge and assistance has been invaluable. It has been a pleasure to work with both of you, and VDS will remain my first choice in reproduction services.

Very truly yours,

Dale Dorfmeier
